## Stage Plot / Input List

### Front of Stage / Audience

Input List: (all channels are mono)

- 1 Lead Vocals (from headset mic -> wireless receiver)
- 2 Live Banjo (from DI)
- 3 Live Samples (from DI)
- 4 Music Loops (from DI)
- 5 Percussion Loops (from DI)

Banjoelectric uses in-ear monitors, so will require a monitor send from the board. House controls monitor mix, mono.
